By signing below, you also acknowledge that you have read and understand the following updates for 2020 Festival:

1. The BWF Committee is required to follow event guidelines mandated by the state and Preble County Public Health Dept...and we are committed to also providing a great experience for our vendors and attendees.
2. COVID-related mandates or directives from the State of Ohio will likely mean changes to our booth locations, vendor and visitor requirements, and perhaps (*we hope not!*) event cancellation.
3. The location and set-up for our vendors this year will be different. Therefore, we will not be able to provide the same booth space you have had in the past. **If event is cancelled, you will receive a full refund.**
4. As a vendor, you *may* be required to have your temperature taken upon arrival, to wear a face mask, and to post a health-related/social distancing poster (that we will provide) in your booth.
5. The BWF planning committee will be advertising and promoting the Festival widely to support our great vendors and we will be doing all we can to make sure you have a profitable and fun weekend at our Festival.
6. The Black Walnut Festival, Camden Comeback or it's members are not responsible for theft, loss or damage to property and/or personal injury. All liability is the sole responsibility of vendors.
